

SPECIFICATION SHEET: S032

Front-Line Cubicle Range, System Two

SEMI FRAMED CUBICLE SYSTEM

Detailed Product Specification

Cubicles designed to cope with the rigorous demands of high use public change areas. The design is cost effective through the use of rigid, aluminium heavy duty head rail sections and corner supports integrated with Solid Grade Laminate panelling.

Doors and panels:	Compact /solid grade laminate, 12/13 mm thick, black core. All exposed edges smoothed and radiused.
Frame:	Headrail and External Corner Columns from extruded, heavy duty aluminium finished with a powder coating, Silver is the standard colour but other colours are available to match hardware finish as an alternative.
Door Latch/Indicator Bolt:	Robust easy action door latch. Emergency exterior opening facility. Cubicles occupied indicator. Incorporates rubber buffer for quiet door closure.
Door Hinge:	Each door fitted with 3 heavy-duty, through fixing hinges, incorporating anti-finger trap and anti-lift design. Door can be adjustable to door open/close/ajar, and open inward or out.
Pedestal Leg:	Heavy-duty 150mm high, providing 30mm adjustment to accommodate uneven floors. Concealed floor fixings.
Coat Hook:	Single aluminium coat hook with rubber safety buffer.
Seat:	Changing cubicle seats are made of solid grade laminate or hardwood slat (option) and include optional cantilever or standard seat bracket.
Panel Fixings:	Aluminium 'U' brackets for securing panels to each other and to walls. Minimum of 3 to each vertical panel. Tamper proof fixings are available as an optional extra.
Sizes:	The overall height of cubicles is 1950mm. This can be varied to suit specific applications within the limit of the chosen panel specification. Back to back cubicles will be limited to 2500mm overall. Special arrangements can be made for bigger dimensions which may necessitate additional supporting structure.
Installation:	Helmsman offers a full installation service for its products.

HELMSMAN also provide an extensive range of lockers and changing room furniture.

After Sales Service: All of our products are supported by the Helmsman Service Department who provide technical advice, maintenance schemes, prompt delivery of replacement keys/parts and product refurbishment.

- Health & Safety: Cubicles must be firmly secured to wall/floor and fixed together in runs for safety purposes. If applicable, install in accordance with specific product instructions.
- All dimensions are nominal.
- To enable us to interpret your requirements accurately, please state at time of enquiry/order the choice of colour and delivery requirement.
- The products described in this specification sheet herein are the subjects of patent, trademark, design and copyright protection or application thereof.
- In the interest of efficiency and service to our customers, the company reserves the right to modify the specifications of any of its products without prior notice.
